The Company shall have no liability whatsoever in respect of those Goods prior to that time.

9. **Delivery:** The Goods shall be deemed to have been delivered when they are physically deposited at the address notified to the Company in writing by the Customer for that purpose, or have been collected from the Company's premises or from the premises of an authorised agent of the Company. The Customer accepts that no form of acknowledgement that delivery of Goods has occurred is required to be obtained by the Company except in those instances where the Customer has specified in writing, and the Company has agreed, that the Company shall obtain proof of delivery of Goods. In addition, where:

(a) the delivery is to an Onforward area; or

 - (d) If the Customer delivers any Dangerous Goods to or causes such Goods to be dealt with by the Company, the Dangerous Goods may be destroyed or otherwise dealt with at the sole discretion of the Company or any other person in whose custody they may be and at the expense of the Customer without the Company or such other person being responsible or accountable for the value thereof except where the Company has agreed in writing to deal with certain Dangerous Goods presented by the Customer or the Customer’s authorised agent for consignment, in which case the Company’s liability shall be limited to the amount determined by clause 19;
 - (e) Any unauthorised High Risk Items will be carried “at owner’s risk” within the meaning of the Act and the Company will not accept any liability for such items.
13. **Rights of Inspection:** The Company has the right to open any package, inspect any Goods, and refuse Carriage to any person or Goods in respect of any consignment that by reason of the dangerous or other character of its contents is likely, in the sole judgment of the Company, to soil, taint, or otherwise damage other Goods or equipment carried by the Company, or place the Company at risk, or that is economically or operationally impractical to transport, or that is improperly packed or wrapped.
14. **Charges:**
- (a) The Customer agrees to pay the Company’s charges (including FAF and RUC) to the Company on the 20th of the month following the month in which the invoice is dated, where the Company has agreed to provide the Customer with credit. Alternatively, the Company’s charges (including FAF and RUC) are payable on the date of purchase of any courier ticket or other service.
 - (b) All charges may be varied by the Company by giving notice in writing to the Customer at any time. The notice shall state the date from which the new charge or charges shall be effective. This includes renegotiated rates based on any change in the Customers freight mix and volume. For the avoidance of doubt, any changes to FAF or RUC are not variations or changes that require the Company to give notice in writing to the Customer under this Agreement.
 - (c) All pricing provided by the Company is supplied on the basis that charging will be calculated on either a weight or cubic formula whichever is the greater based upon a standard conversion rate of 200 kgs per cubic metre. For the avoidance of doubt, this condition applies even if not explicitly stated on an individual price or quotation provided to the Customer by the Company.
 - (d) FAF and RUC will be applied to all invoices. Refer to our website www.castleparcels.co.nz for the current levy percentage and calculations in relation to FAF and RUC. The Customer acknowledges and agrees that FAF and RUC is subject to change without notice and such change is not a variation under clauses 14(b) or 22.
 - (e) The Company reserves the right to impose charges on the Customer to account for any fines or similar costs incurred by the Company as a result of undeclared and/or improperly packaged Dangerous Goods being included with any Goods given to the Company by the Customer.
 - (f) The Company reserves the right to impose charges on the Customer in respect of any Goods that do not carry the required payment identification (courier tickets and/or type of Goods) where the Company has measured and weighed such Goods to determine the correct payment required. The Company’s decision as to weight, value or measurement of an item is final.
 - (g) Additional charges apply for Onforward, Saturday Delivery, Residential Deliveries and/or Administration Charges.
 - (h) Only full books or packs of product will be accepted for credit.
 - (i) All prices quoted exclude GST.
15. **Payment Terms:**

 - (b) The Company has the right to withhold any services to any Customer whose account is in arrears until such time as the account is paid in full.
 - (c) The Company has the right to charge interest on any overdue accounts and to recoup from the Customer any fees incurred by the Company in relation to a collection agency engaged by the Company to collect any amounts due but unpaid by that Customer. Interest will be charged on any overdue account at 2% per month, calculated monthly in arrears and such interest charge will be added to the total amount due by the Customer. For the avoidance of doubt, interest will accrue at this rate on any judgment sum obtained by the Company against the Customer.
 - (d) Where the Customer is using an electronic manifest label based solution, the Customer agrees to submit electronic manifests to the Company on a daily basis detailing items sent to allow timely invoicing to occur. In the event that the consignment information provided by the Customer is inaccurate, not supplied on a daily basis or information that is provided is unrated or inaccurately rated in the Company’s sole opinion then the Company reserves the right to charge an administration fee of \$25 per day to cover the costs associated with correcting any non-compliant information.
16. **Indemnity:** The Customer will indemnify the Company against all losses (including loss of profit), penalties, claims, damages (including damage or deterioration by or to any other consignment), costs and expenses of any kind whatsoever, howsoever caused or arising from and, (without limiting the generality of the foregoing) whether caused or arising directly or indirectly:
- (a) out of any default or negligence of the Customer (including but not limited to a failure to comply with the terms of this Agreement);
 - (b) as a result of any claim by any third party;
 - (c) out of the Customer passing any courier tickets to any third party; and
 - (d) suffered or incurred by the Company in connection with, or resulting from, the Carriage of the Goods or any matter or thing done said or omitted by the Customer in connection with the Goods.
17. **Lien:** All Goods (and documents relating to Goods) shall, immediately they come into the possession of the Company, be subject to a particular and general lien and right of detention for all moneys due to the Company by the Customer or the consignee, consignor or owner of the Goods, whether in respect of such Goods or otherwise. If any moneys due to the Company are not paid within fourteen (14) days after notice has been given to the person from whom the moneys are due that such Goods are being detained, then they may be sold by auction or otherwise at the sole discretion of the Company and at the expense of such person, and the net proceeds applied in or towards satisfaction of any such indebtedness. Any such sale of Goods shall not prejudice the right of the Company to recover any balance due or payable in respect of the services provided hereunder or the cost of the said detention and sale of Goods. If the Company reasonably believes any Goods are unsaleable, the Company may dispose of them as it sees fit. If at any time payment from the Customer to the Company shall be in arrears, any subsisting obligation of the Company shall be suspended and the Company shall not be under any liability to the Customer during such period.

18. **Set-off:**
- (a) The Customer authorises the Company to set-off, withhold or deduct without prior notice or demand any amount due or payable to the Company by the Customer under this Agreement or any other agreement from any payment made by the Company to the Customer in full or partial satisfaction of any amount owing to the Customer by the Company under this Agreement or any other agreement. For the avoidance of doubt, this right of set-off applies to any amount due or payable under any agreement relating to the supply of goods and/or services between the Company and Customer.
- (b) In the event that the Customer has dealings with one or more of the companies in the Freightways Group, the accounts of the Customer with any of the Freightways Group companies may be combined so that the debit and credit balances are set-off and a net amount only is owed by the Customer to members of the Freightways Group, or to the Customer by the members of the Freightways Group. This clause is for the benefit of, and enforceable by Castle Parcels, Freightways Limited and each company within the Freightways Group in accordance with the Contract and Commercial Law Act 2017, Part 2, Subpart 1.

In such cases, the liability of the Company in respect of loss or damage to Goods is limited to the amount specified in the relevant Business Proposal or Account Application Form. If an amount is not specified in any of those documents, the liability of the Company in respect of the particular consignment of Goods is limited to \$60.00 including GST per "unit of goods" as defined in the Act. In all other cases (and subject to clauses 7, 12, 16, 19 and 22), this Agreement is at "Limited Carriers Risk" as defined in the Act. For the avoidance of doubt, where any Carriage by the Company is at "Declared Value Risk", the maximum liability of the Company shall not be more than \$2000 including GST per "unit of goods" as defined in the Act.
- (c) Any other Goods carried by the Company under this Agreement are carried at "Limited Carrier's Risk" as defined in the Act. The maximum liability of the Company in respect of any one item carried by the Company under the Act is limited to the lesser of \$2000 including GST per "unit of goods" as defined in the Act or the current cost value of each consignment of Goods. A minimum claim value of \$5.00 incl GST per unit of goods applies in all instances.
- (d) Subject to the provisions of the Act imposing liability in respect of the loss of or damage to the Goods, the Company shall not be under any direct or indirect liability whatsoever (whether in contract, tort or otherwise) for any direct or indirect losses (including loss of profits), penalties, damages, costs or expenses of any kind whatsoever (including indirect or consequential loss or damage) brought, claimed, suffered or incurred by the Customer or any third party, in connection with, or resulting from, the Carriage of the Goods or any matter or thing done, said or omitted by the Company, in connection with the Goods or this Agreement howsoever caused or arising and (without limiting the generality of the foregoing) whether caused intentionally or arising as the result of negligence of the Company or otherwise.
